

## Bedtime Stories For The Little Ones

UNCLE WIGGILY AND SUSIE'S PIE.

By HOWARD CARL.

"O. M. mother! May I make one?"

"May I make one?" cried Susie Littlelitter, the rabbit girl, hopping into the kitchen house as she came from school one day.

"May you make what, Susie, my dear?" asked Nurse Jane Fussy Wussy, Uncle Wiggily's housekeeper, who, like himself, was living for a while with the Littlelitter family. "Your mother is out, Susie," went on Nurse Jane, "but I'll do anything I can for you."

"Oh, I want to know if I may make a pie," spoke the little rabbit girl. "The lady mouse teacher in the hollow stump school told us how, today, and she said she would give a prize to whoever brought the best pie to-morrow."

"Well, I'm sure if your mother were here she would let you make a pie," said Mrs. Fussy Wussy. "But she has gone to call on Mrs. Bushytail, the squirrel lady, and I am unable to get supper and everything."

"And will you let me make a pie?" begged Susie, her nose sticking out to twinkle as Uncle Wiggily's did.

"Yes, you may make a pie and I will help you," spoke the kind muskrat lady. "What sort of pie do you want to make for the lady mouse teacher?"

"I think cheese pie would be best," spoke Susie.

"I think so myself," agreed Nurse Jane, with a laugh. "So we'll make a cheese pie—or, rather, I'll help you bake one."

A little later, when Uncle Wiggily came back to the underground bur-

## Simple Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp; rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, shiny, silky and soft, and look and feel a hundred times better.

mouse gentleman tramp, his whiskers all of a tremble, "could you please give me something to eat? I am so hungry!"

"Would you like some cheese pie?" asked Uncle Wiggily.

"Would I? Oh, please, good, kind rabbit gentleman, try to send me some cheese pie!" cried the mouse. "Oh, please don't say you are fooling!" and the mouse gentleman's whiskers quivered more than ever.

"Fooling you? Certainly not!" cried the bunny. "Susie just baked a lovely cheese pie and I'll get you a slice for a mouse, and you are the first mouse to come along. She must have meant you. Wait, I'll get you the pie."

And Uncle Wiggily gave Susie's lovely pie to the mouse tramp, who was so hungry he ate it all up, down to the last crumb.

"Was it good?" asked Uncle Wiggily.

"Good!" I never tasted anything so good in all my life! It was like my mother used to make," said the mouse tramp.

"Well, I'm glad you liked it," said Uncle Wiggily. "Susie said it was for a mouse, but I didn't have time to ask which one."

"Oh, thank you," spoke the mouse tramp, as he hopped away. And when he came back and found that Uncle Wiggily had given away her nice cheese pie, why, at first Susie was going to cry.

"I meant to say it was for the lady mouse teacher!" said the little rabbit.

"Oh, dear, dear, dear me!" cried Uncle Wiggily. "What a terrible mistake on my part!" "I'll run after that tramp mouse and—" "Never mind," said Nurse Jane. "I shall need it. I'll make another for Susie." And she did. So if the snowball doesn't roll off the porch and hit the June Bug on the knuckles when he's out there marking time with the Katydid, I'll tell you about the Wiggily and Susie's pie pudding.

With Nurse Jane's help Susie baked a fine cheese pie for the lady mouse teacher in the hollow stump school, and when the pie was opened—oh, excuse me, I'm thinking about a sort of six-pence, a pocket full of rye, four and twenty blackbirds baked within a pie. When the pie was opened—you know—that old mouse I was thinking of that I meant to say was when Susie's pie was taken from the oven, not having been burned at all, but just made a lovely brown—when the pie was baked, Nurse Jane said:

"Now, we'll put it in the back entry to cool, Susie, and then we'll go over and call your mother at Mrs. Bushytail's. Your father just telephoned to have an early supper as he is going to take us all to the movies, so your mother will have to come home sooner than she expected."

"What about Uncle Wiggily?" asked Susie.

"Oh, let him sleep in his easy chair," answered Nurse Jane. "We'll be back before he awakes."

"And my cheese pie?" went on the little rabbit girl. "Will that be all right?"

"Oh, surely," answered Nurse Jane Fussy Wussy.

So she and Susie hopped over the fields and through the woods to call Mrs. Littlelitter home from the Bushytail squirrel house, and Uncle Wiggily slept under his handkerchief, standing on the steps.

"If you please, sir," whined the

**DO YOU WASH YOUR HAIR WITH SOAP?**

Soap has its uses and it would be a very much soiled world without it. For a shampoo, soap is a failure for it will not dissolve the film of oil and grease that is constantly forming close down against the scalp and hair roots.

A strong laundry soap might do this, but the resin and lye would ruin the hair, so of course it can not be used.

The only proper way to wash the hair is with a good shampoo. But you need not buy expensive perfume mixtures, nor pay for fancy bottles.

For you can not buy a better head wash than a twenty-five cent package of eggol—and this will contain enough for a dozen shampoos.

You use the eggol as required, simply mixing a teaspoonful in a half cup of hot water. It leaves the scalp absolutely free from grease and dandruff and the hair soft and beautiful.

Almost any drug store in America can supply you with eggol. Try it—A.D.

## THOUSANDS HAVE KIDNEY TROUBLE AND DON'T KNOW IT

Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common disease that prevail, they are almost the last recognized by patient and physician, who content themselves with doctoring the effects, while the original disease undermines the system.

Your other organs may need attention—but your kidneys should have attentive first because their work is most important.

If you feel that your kidneys are the cause of your sickness or run down condition commence taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder medicine, because as soon as your kidneys begin to improve they will help all the other organs to health.

A Trial Will Convince Anyone.

The value and success of Swamp-Root are so well known that our readers are advised to send for a sample size bottle. Address Dr. Kilmer & Co., Binghamton, N. Y. ## SUFFERED 8 YEARS WITH RHEUMATISM

Prescription C-2223 Gave Relief.

Mr. Will Parks, of Manor, Texas, writes October 28th, as follows:

"I suffered with rheumatism for eight years. After taking Prescription C-2223, I found it to give wonderful relief. I will always recommend your treatment to those suffering from this same trouble."

There are many reasons why Prescription C-2223 is so successfully used by those suffering with rheumatism, lumbago, joint and aches. A doctor spent years perfecting his treatment for these dread diseases, now known as Prescription C-2223. You can now buy it at any drug store, ready prepared, at less than the price which you have to pay a doctor for prescribing, to say nothing of the cost of his medicine. Again, Prescription C-2223 is guaranteed to give you relief. The present owners of this splendid treatment are so sure that you will be benefited that they authorize all druggists to return your \$2.00 if two \$1.00 bottles do not give you relief.

In taking Prescription C-2223 a vegetable cathartic is needed—something that will stir the flow of bile and regulate the bowels. 2223 Liver Pills do not sicken or gripe. One is done and but two or three need be taken every two weeks.

If your druggist will not supply you with Prescription C-2223 and 2223 Liver Pills, one \$1.00 bottle and a box of Pills will be sent you postpaid on receipt of \$1.75. Write Department 2223, Ziegler Laboratory, Memphis, Tenn., for literature, 1939 Almanac and sample of the Pills.
